Sri. Parameswaran (Physical Science, 1st class)

Sri. Jagadishwara Reddy (Mathematics, 2nd class)

Sri. Lakshmanachariar (Mathematics, 2nd class)

But they are not employed in the Edn dept, and Mr Reddy seems to have objections to any of his men opting to other depts.

A. N. Narasimha is in List No III and is eligible to the same grades, as he has been taken as Asst Lecturer.

the Vacancy has been caused amongst the probationers selected from the Backward classes and in all fairness I think it must go to a non Brahmin candidate. M. Rajagopalaswamy Naidu was originally selected by the Commission as a Railway probationer but he lost his chance on account of absence without leave from duty. I think he is entitled to the first Vacancy, but since he is a philosophy graduate and he is not, as it is stated, a suitable candidate for the Finance dept., a statement with which with due respect I do not agree — his case respectfully may be adopted by the Commissioner, Secretary may be addressed probationer by a graduate in history and Commissioner may be moved from their dept to the Finance & the Rajagopalaswamy Naidu appointed in his stead. I propose that any of the probationers Mr Balakrishnayya (Revenue), Mr Varma Raju (Excise) may be moved to the Finance dept & Mr Rajagopalaswamy Naidu be appointed in his stead

5) Mr.P.Rajamannar Naidu was an applicant for the place of a Probationer in any one of the three Departments, - Revenue, Excise and Railways. The Committee appointed for the selection of candidates recommended his appointment as a Railway Probationer, his name standing 5th in list II. Government selected only 12 Probationers against 16 originally sanctioned, two appointments being reduced in each of the Railway and Education Departments, and Mr.Rajamannar Naidu is one of the candidates recommended by the Committee but not approved by Government. (Thro' B. Ramaswamaiya, Esq., B.A., B.L., Secretary to the Government of Mysore, Revenue Department).

S i r,

I most respectfully beg to place the following humble representation for the benign consideration of Government.

I was one of the Candidates for a place in the 16 Probationerships for which applications were invited and disposed of lately by Government; but to my misfortune, I have not been one of the successful Candidates.

I believe, however, that this might be due to the fact of the full complement having been reduced by four, and that I might have had a chance for sharing a better luck if there were room for all the 16 Candidates.

I now understand that a Financial Probationer is not likely to take up the appointment offered to him.

I beg, therefore, that you will be kind enough to place my case, with your kind support, before Government for graciously giving me a chance in this vacancy.

For which act of kindness I shall ever feel gratefully thankful.

Sir,

I beg to submit the following for your kind and favourable consideration.

I passed the recent Mysore university B.A. degree examination held in March 1919 with Mathematics and Physics as my optional subjects and obtained a second class in both the groups. Of all the candidates that had taken up Mathematics and Physics as their optional subjects, only one passed in the first class and two in the second class in both the parts and I happen to be one of these two double second class graduates.

I am a Mysorean by birth being a native of Manchaladore, a village in the Gubbi Taluk in the Tumkur District. I appeared for the S.S.L.C. examination in the year 1915 from the Government High school, Tumkur and stood second for the whole province in that examination. In March 1917, I sat for the Madras university

Intermediate examination in Arts from the Central College, Bangalore and passed it in the second class obtaining distinction in Physics. Unfortunately, as Mr. J. G. Tait who was then our Principal had the kindness to tell me, I just missed a first class in that examination by a very few marks. Now, however, in 1919, in the B.A. degree examination, I stand one of the only two double second class graduates who took up Mathematics and Physics for their second group. I am the son-in-law of Mr. B. Muddukrishnappa, Assistant to the Director of Civil Supplies, and am now aged twenty-two.

I understand that of the Probationers' places, one of the two Account Probationers' places has been left vacant owing to the fact that the candidate nominated for the post has refused to take it up. I request that you may very kindly recommend me to Government for the said Probationer's place.

I beg to assure Government that in this capacity I shall endeavour my best to give entire satisfaction in my work and prove myself worthy of the kindness shown to me.

I beg to remain,

Sir,

Your most obedient servant,

With due deference I beg to submit the following few lines for your kind consideration with sanguine hope that my prayers will meet with success.

Learning that a Finance Probationership which had been offered to Mr. Nogakumaryya, is now vacant, I beg to offer myself as a candidate for the same.

I come of an old and respectable family of Bangalore Many of my relatives held and are still holding appointments of trust and responsibility in the State of Mysore. My father Mr. Syed Ahmed was a Police Inspector. After serving the State for more than thrity years he is now retired and has been enjoying his pension - the well-earned fruit of his labor. My uncle, Mr. Syed Abdul Ghaffar was a Treasurer in the District Treasury, Bangalore. My brother Mr. Syed Abdul Khaliq is now Amildar of Chamarajnagar Taluk.

I passed the B.A., Degree Examination of the Mysore University this year, and want to join Government service and follow the foot-steps of my relatives in the point of discharging the duty faithfully. As I also belong to the class of backward community, I respectfully beg of you to be so good as to consider my case, and grant me the Probationership referred to above.

For which act of kindness I shall ever feel grateful.

Mr. P. Narasimha Rao took his B.A. course in this college in the years 1916-17 and 1917-18, with History as his optional subject. He appeared for the B.A. Degree examination last year and passed in Part I (English). He bore a good character at College, where he was punctual, regular and attentive to his studies. He informs me that he is proposing to go to England for the purpose of continuing his studies, after completing his Degree here and I have pleasure, therefore, in adding that in my opinion he has the qualifications that would enable him to benefit by such a course.
